

# HR Bible

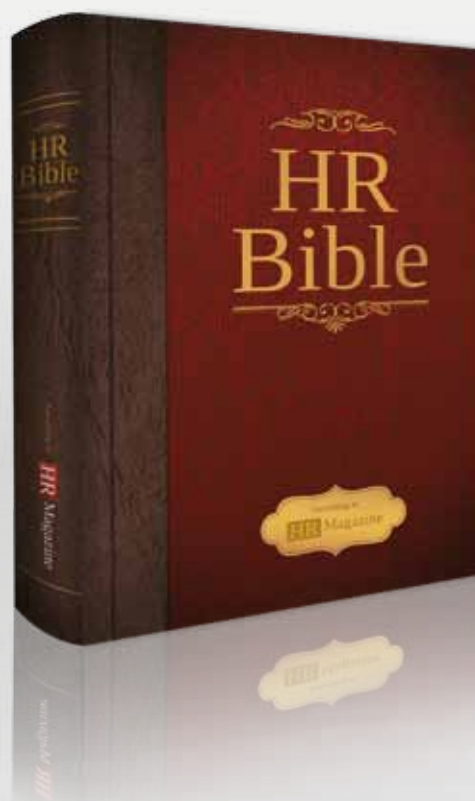

## The complete HR lifecycle...

The HR Bible provides a comprehensive reference source of best practices and real HR case studies to equip and support HR professionals in their day-to-day HR duties and strategic roles.

Learn best practices from leading HR figures, study cases from the world's leading organisations and gain invaluable knowledge on how to deliver the most effective HR solutions to your own organisation.

### Inside...

- Exclusive interviews conducted by HR Magazine featuring prominent HR figureheads and HR influencers from around the globe
- Yearly trends and projections from trusted independent sources
- Research and findings on HR-related issues
- Comprehensive service listing for HR-related providers in the region
